Announcement

We again extend a cordial invitation to our patrons, old and new, to be with us for this, the thirty-fifth, annual sale of the Interstate Shorthorn Breeders Association to be held in Sioux City.

The cattle for this sale have been carefully selected after personal inspection by your officers and directors from over 160 head that were listed and beyond all doubt are the best lot of cattle we ever had to offer. Our sale grows stronger each year in both numbers and quality. It may appear that we have too many cattle catalogued for a one day sale but by beginning a half hour earlier than usual and requesting the auctioneers to work fast, we feel they can be handled to the satisfaction of all consigners. To this end, we are requesting all consigners to refrain from taking up time for comments while leading their animals in the sale ring. Your cooperation will be much appreciated.

JUDGING CONTEST

The judging contest will be held again this year, on Monday afternoon, March 8th, open to 4-H and FFA members who may be recommended by their County Agent or Agricultural Leader. \$200.00 offered in prizes of \$60.00, \$50.00, \$40.00, \$30.00 and \$20.00 respectively, winnings to apply on the purchase price of any heifers in this sale. One class of bulls and one class of heifers will be judged. The contest will be under the management of R. J. Coverdale of Spencer, Iowa, who may appoint such helpers as he may want.

GENERAL INFORMATION

As heretofore, the sale will be at the Horse and Mule Barns at the Sioux City Stock Yards. The cattle may be inspected Saturday or Sunday before the sale if desired. The judging will begin at 10:00 A. M. on Monday and the sale at 12:30 sharp on Tuesday, March 9th. At 6:30 Monday evening, the annual business meeting and banquet will be held at the Mayfair Hotel, to which everyone interested in Shorthorns is cordially invited. This year, a charge of \$1.00 per ticket will be made to partially cover the cost of our banquet. Mark C. Cord will be master of ceremonies and arrange the entertainment.

Goldfinder's Type has developed into a real bull, thick, very deep and mellow, has short, sturdy legs and has a head you like to see on a bull. If we were in a position to maintain two herd bulls, this bull would not be for sale. We are keeping most of his heifers, therefore we are offering him for sale. He is very gentle and is a sure breeder and right in every way.

DON HILL ROYAL LEADER 6TH—A rugged, smooth, thick fleshed son of Edellyn Royal Leader 19th out of an imported in dam cow. A half brother of this calf sold in the last Congress Sale in Chicago for \$3,600 and his sister was grand champion at the 1947 South Dakota State Sale, going to South Dakota State College. An outstanding individual with an exceptional pedigree that should head a pure bred herd.

Last year, our two best bulls happened to be born white. Held this one for the Sioux City Sale, the other one for the Sioux Falls Sale. We have been slaves to fickle fashions, it seems to me, when white bulls are taboo and our girls must go bare-legged in winter time. But these fashions will change suddenly one of these days then the girls can wear stockings in bitter cold weather and everybody will be out hunting for a good white bull to retsore mellowness and quality in his cattle. I can not explain why, but my experience is that a white bull used on roan cows will sire fewer white calves than will a dark roan bull in the same herd. Regardless of what he sells for in the sale, this calf will do some herd a lot of good. Has an exceptionally strong bull head, always proud, cocky and important.

He is a half brother to Goldfinder's Star, the champion bull at the recent Congress Show and Sale at Chicago that sold for \$4,300.00. PERFECTION ROYAL SULTAN—Ashbourne Augusta, the granddam of this bull, was grand champion female at the Nebraska State Fair in 1933. A full brother to his dam was reserve champion 4-H steer at Nebraska State Fair. This calf is as good as one would expect him to be, from his pedigree, which goes back to Tomson Bros. famous Augusta family.

Here is another rich red calf by Don Hill Ransom. A full brother to the first place junior bull calf of the 1947 Interstate, sold to Rusche Bros. of Bancroft, South Dakota, topping that group at \$510.00. Take a second look at this calf; the making of another great Ransom sire. He won't disappoint the most critical of Shorthorn breeders.

Not too highly fitted but a toppy heifer, selling open. Have had this Augusta family in my herd since 1913 and it has been one of my best and most profitable families. The foundation cow was Maxwalton Augusta 9th, by Avondale. Her first heifer brought \$1,725.00 at auction and I later sold the old cow to Bellows Bros. for \$4,000.00. This heifer should make an excellent breeding cow.

BROADLAWN LADY STANFORD—We have never parted with a heifer so reluctantly. Not highly fitted, having been weaned at 7 months of age—as are all our calves—she still carries the quality and natural thickness we try to maintain in our cow herd. We have produced few better ones and never sold one as good. She will please the most exacting buyer.
